

I Don't Mean Maybe

(sung to the tune of "Call Me Maybe" by Carly Rae Jepsen)

I came to school in the fall
I thought that I knew it all
I had my back to the wall
And now it's time to test

I studied hard night and day
I didn't have time to play
Teachers all showed me the way
And now it's time to test

Knowledge was growin'
All my work I'm showin'
So smart, it's mind blowin'
You know where I'm going, baby

I've studied all year
And it's been crazy
But I will pass it
I don't mean maybe

So hard to get right
Ain't it baby
But I will pass it
I don't mean maybe

I've studied all year
And it's been crazy
But I will pass it
I don't mean maybe

And all the other kids
Try to play me
But I will pass it
I don't mean maybe

I followed all of the rules
Got the best scores at my school
'Cause makin' good grades is cool
And now it's time to test

I know I must do my best
Better than all of the rest
I want you to be impressed
And now it's time to test

Knowledge was growin'
All my work I'm showin'
So smart, it's mind blowin'
You know where I'm going, baby

I've studied all year
And it's been crazy
But I will pass it
I don't mean maybe

So hard to get right
Ain't it baby
But I will pass it
I don't mean maybe

I've studied all year
And it's been crazy
But I will pass it
I don't mean maybe

And all the other kids
Try to play me
But I will pass it
I don't mean maybe

Before this school entered my life
Messed up so bad
I messed up so bad
I messed up so so bad

Before this school entered my life
Messed up so bad
I messed up so bad
I messed up so so bad

So hard to get right
Ain't it baby
But I will pass it
I don't mean maybe

I've studied all year
And it's been crazy
But I will pass it
I don't mean maybe

And all the other kids
Try to play me
But I will pass it
I don't mean maybe

Before this school entered my life
Messed up so bad
I messed up so bad
I messed up so so bad

Before this school entered my life
Messed up so bad
Now I will pass it
I don't mean maybe
