

Round to the nearest **hundred thousand**.

293,685,407
293,700,000

Find the
place
that I am
rounding
to.

Look at
the digit to
the right
of this
place.

If the digit
to the
right is
5 or more,
add 1.

If the digit
to the right
is less than
5, leave it
alone.
